Five neighbourhoods – one country

The Spain of Kazantzakis

Follow Don Quixote through the streets of Myrtia and travel back in time and space. Each neighbourhood is a section, each section is an idea, and each idea is all of Spain.

"The voyage, the quest, the correspondence" (thematic exhibition in the Museum)

A thematic sojourn in Spain

Learn about the travels of Kazantzakis and the reality of the country that inspired him to write Spain through letters, personal objects and original material.

During the festival, the Museum will remain open from 10.00 to 20.00. General admission: 3€
